TELEVISION PROGRAM PRODUCED BY FOUNTAIN VALLEY HIGH SCHOOL STUDENTS AIRING ON CITY'S CABLE CHANNEL

"Baron Broadcast News" Now Airing Regularly on FVTV

Fountain Valley, CA – In a partnership with the Public Cable Television Authority (PCTA), "Baron Broadcast News," a television program produced by Fountain Valley High School students, is now airing regularly on the City of Fountain Valley's cable channel.

"Baron Broadcast News" (or "BBN," as it is more commonly known) is an open forum for student expression, produced by the students of Fountain Valley High School's video production class for the FVHS student body, staff and community of parents and other supporters. It is produced bi-weekly throughout the school year.

"BBN" is really well put together and very informative," said John Borack, general manager of the Public Cable Television Authority. "It's a great way for the community-at-large to find out what's going on at Fountain Valley High School."

"BBN" airs on Channel 3 (Time Warner Cable), Channel 99 (AT&T U-Verse) and Channel 21 (Verizon FiOS) at the following times:

- Monday, Wednesday, Friday and Sunday: 3:00pm
- Tuesday and Thursday: 10:00am and 8:00pm
